## Foreword

The class of 1955 compiled this edition of "Tiger Tales"  
to keep the happy memories of their school days forever alive.  
They present it to the public hoping that all who chance  
to read will find in it pleasant reminders of their own ad-  
ventures in the halls of learning.

# DEDICATION

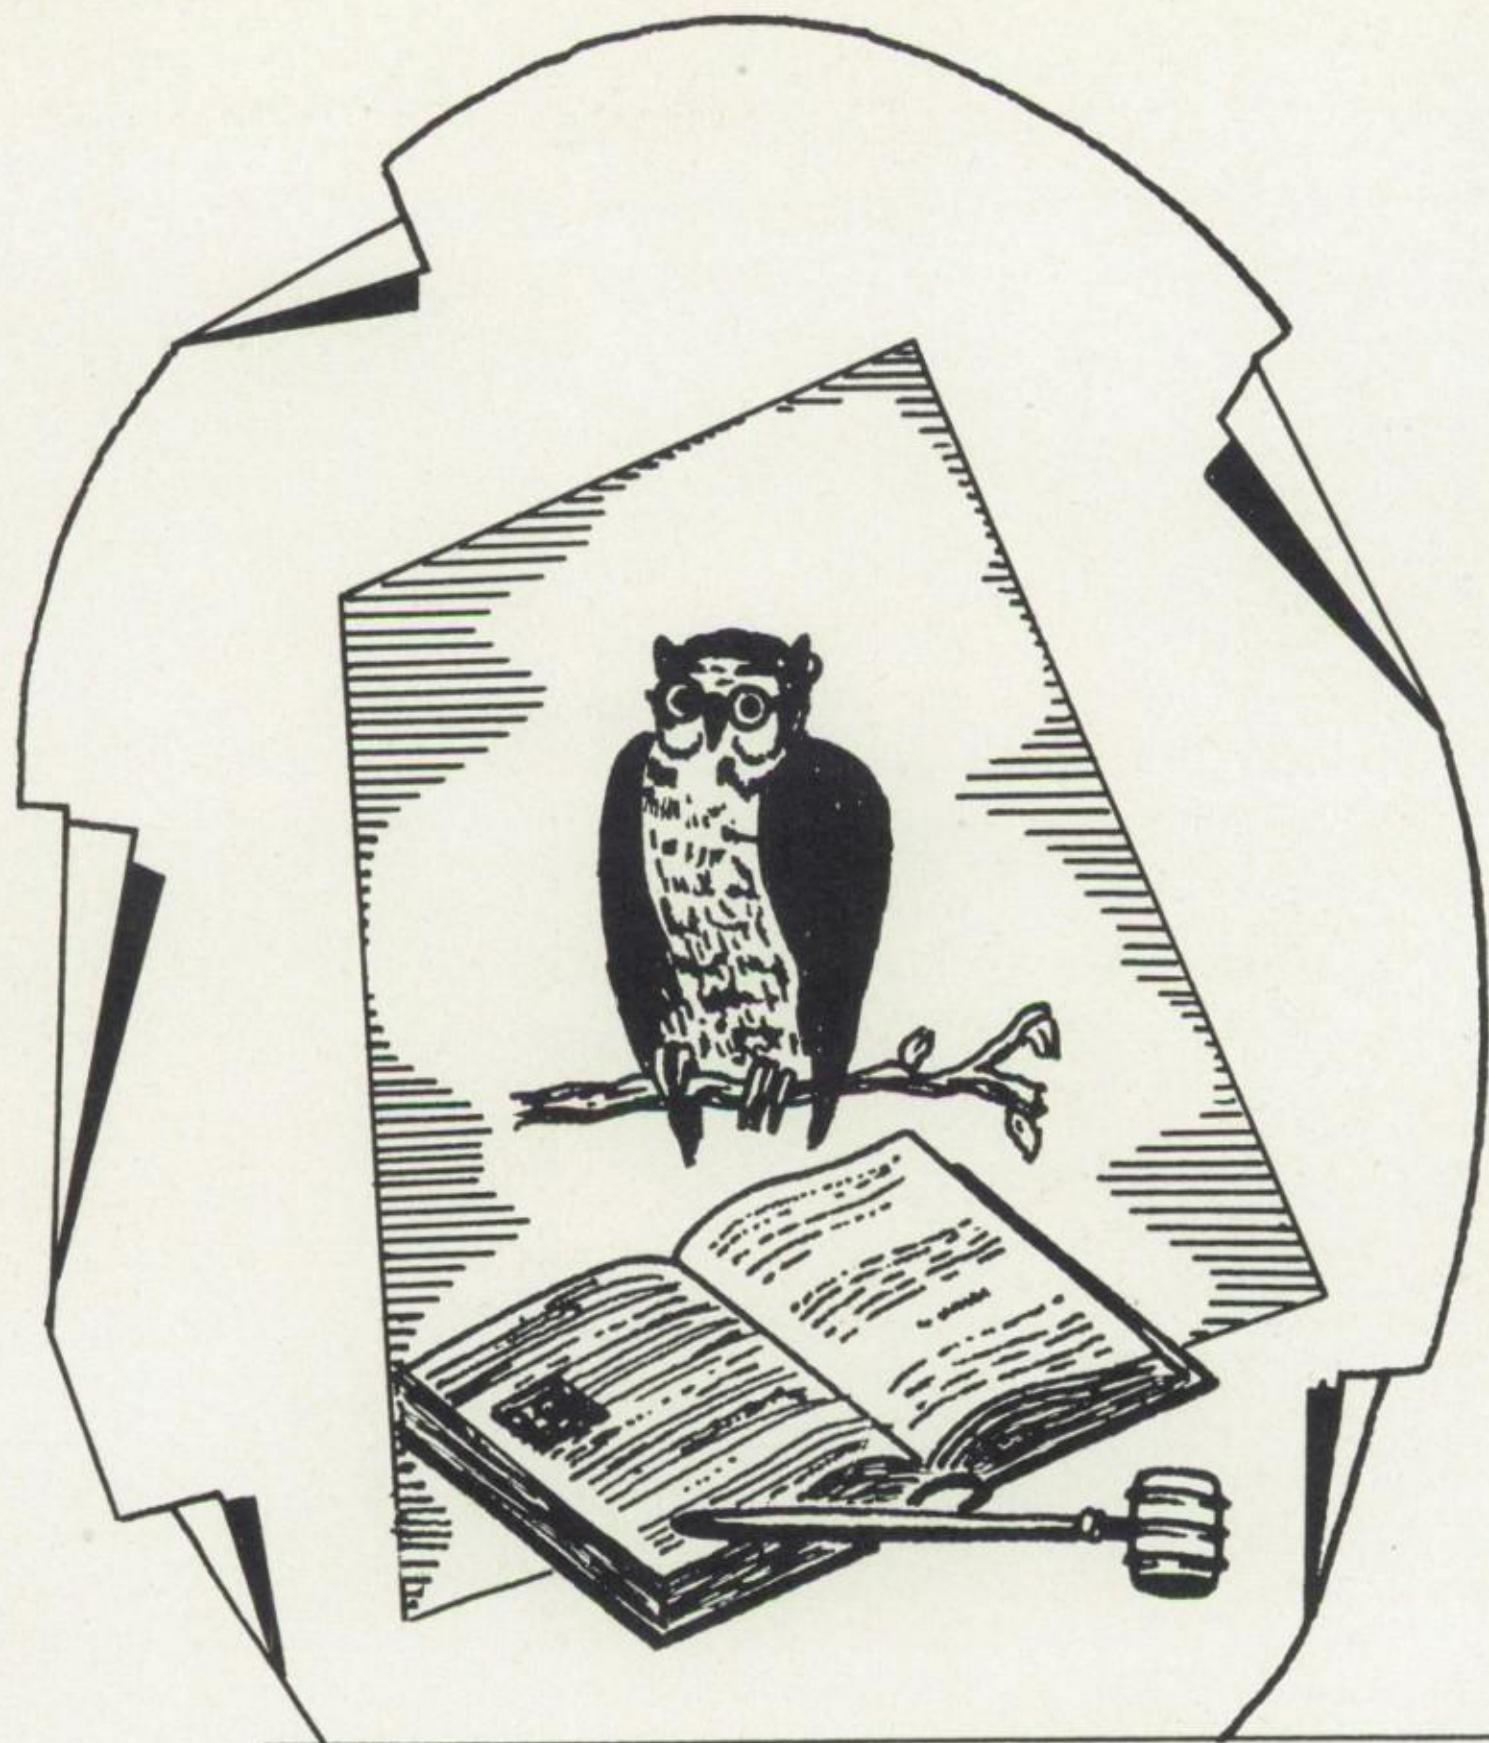

We, the Class of 1955, are happy to dedicate this, our annual, to our sponsor, Mr. Anderson. During his thirty-two years in Griswold High, Mr. Anderson has been a loyal mentor in the classroom and has been ever ready to help with any of the activities of the school. Our memories of him will always be among the most cherished recollections of our high school days.

### Class Poem

For each and every high school year  
We hold some memories quite dear.  
Of the teachers, friends, and all the fun  
That came with all the things we've done.  
These never seemed so good 'til now  
As we must make a parting vow  
To cherish through the coming years,  
The joys, not heartaches, smiles, not tears  
That came with work and came with play--  
With contests, banquets, tasks each day.  
Throughout the high school days just past  
We've gained knowledge that will last.  
But this is not our schooling's end,  
This is where we just intend  
To continue onward toward success  
As we leave the halls of G. H. S.

## Class Will

We, the class of '55 of the Griswold High School, having reached the end of our career here, do make public and declare this writing to be our last will and testament in form and manner as follows:

TO MR. PONTIUS we leave all our ideas of what an ideal school should be.

## Class Prophecy of 1955

We are standing here in front of our mechanical brain waiting for it to answer our questions. We have just given it the facts and figures about the Senior class, and it is going to tell us what we are to be doing in 1970. ROWENE ACKERMAN is now living on a farm with her husband and twelve little Junior Rusties. They say they're cheaper by the dozen.

NORMA BERGSTROM now runs an old bachelor's home; two close friends are with her: VIRGINIA BOOK and ARDITH LINN.

ROSE MARIE BRIGGS is a lady undertaker working in the Kremlin. It is reported she has a good business.

ORLAN CAIN is now running a hobby shop in Chicago. He has hobbies for people from 9 to 109.

RICHARD CARLSON has joined the navy; it seems he had so many girl friends he couldn't make his pick.

LYNDA CRAMER is riding her favorite horse in the Kentucky Derby next week. She has

the only horse to lose 284 races in a row. CHET DOBENECKER has a used camel lot in the Sahara Desert. Just go to him and say, "Lovelace sent me".

DONAVON DORSEY is now writing stories for TV shows. His newest out is "Tombstone", a love story.

KAY FENDER has made good and is reported to have a very good job; she counts the 20,000 filters in Viceroy's.

TOM FORSYTH is a general in the service-- a general nuisance in the guard house.

ELAINE KRISINGER has just been voted Miss Legs in Hollywood, California.

WAYNE GUSTIN has just set a new land speed record in his new hopped up Pontiac. He goes 600 turtle walks in an hour.

RICHARD HALL just came back to the states after being stranded on an island for eight years. He brought a friend with him named Saturday Night, singing, "Oh What A Night It Was".

VIOLA HENDRIX now has the largest stamp collection in the world. She says stamp collecting is very profitable.

LILA HIGH is now driving a souped up—"Campbell's, of course"—Model T at the Indianapolis 500.

ROGER HOLLDORF has finally trapped the grizzly bear that had been bothering on his farm. It seems that it was just a tomcat.

YVONNE RUDIG is a successful dress designer. She has designed a new dress called the "Gownless Evening Strap".

HOWARD RUSH is now a singer with Decca Recording Company. His latest song out is "Leave Me Alone, Girls; I'm All Through With You All".

GLEN SAFFER is now head street cleaner for Lyman.

DALE SCHRIER was last seen floating in the Mid-Pacific yelling, "Sharks".

DOLORES SHIPLEY is now a women doctor in the fair city of Grant. Her motto is, "I'll Cure You If It Kills You".

JIM SHULTZ is now window washer in a sorority house. He never takes holidays and works 24 hours a day.

DOLORES SLOCUM is now teaching that new dance known as the "Slocum Sway".

There is a statue of DON SMITH in the Hall of Fame now. He polished statues so long they made one of him.

Be on the lookout for Wolf-gal MARILYN LOVELL. She has just come out of her cave in the mountains and is considered very dangerous.

PHIL SPROULE is the head professor of Bugs and Nuts at the Lyman Booby Hatch.

HENRIETTA (SPEED) STEFFEN is now known as slowpoke Steffen. She broke her leg playing with the Girls' All-American Basketball Team.

KENNETH SUNDERMAN has just invented a pair of shoes that are supposed to be very comfortable. They are tight and feel awful on; but your feet feel wonderful when you take them off.

CURTIS TOWNE is down in Texas, married. He and his wife and 23 kids are running their own cattle town. It's the roughest, toughest, shootenist town north of the Rio Grande.

GARY TURK has just taken off to the moon in a new atomic space ship. They figured that with his height he could reach it sooner than anyone else.

MARY WATKINS is now the president of the Watkins Sisters Truck Lines. They carry used Christmas trees and old light bulbs to Alaska for the Eskimos.

RODGER WOHLENHOUS is a bull fighter in Mexico. He has won one and lost 36 fights. He says the bulls don't play fair.

LEONARD HOLMES is now with U.C.L.A. and boy what a wheel. OH! OH! what a let down! He is just the water boy.

DALE JENKINS was playing on a big time basketball team, but he quit when he had to go home and do the chores.

WAYNE JOHNSON is living in China with a Chinese girl he married. Her name is Soca Mung Foun Gong Foo. He married her in order to find out how to pronounce her name.

BOB KEEBLER is now playing the drums in Keebler's Swoonie Band. They are now playing at the Pigeon Club in Grant.

HARRY KIRK is the number one wanted criminal in the United States. He was a detective for a while until he learned how to keep away from the law.

DEAN LARY has set a new record. He has been in the army for fifteen years and is still a Buck Private.

JANET SOTHMAN has just been elected Miss Iowa and is meeting a lot of big wheels. She says, "The only thing

wrong is that the men I meet are too old."

JERRY MCKENZIE just came back from Alaska after a 2 year visit. He greets everybody by rubbing noses.

MARILYN MUELLER is now singing with Arthur Godfrey on TV. She sings, "Be Happy Go Lucky Go Lipton Tea Day."

DENNIS NEWMAN is a car designer in Detroit. He has designed a new Buick that has a three cylinder engine. It runs on wood alcohol.

MARLENE PELZER is now a school teacher in a little town out west. She is teaching people how to do the Mambo.

SANDRA PELSER is now an old maid. She played around too long.

EDDIE PLACE is now known as Father Place and is seen on TV in place of Bishop Sheen every Monday through Friday night on Channel 8½.

SHIRLEY PIITTMANN has taken her dad's place as gas station attendant. She doesn't know where to put gas or water in, but she will soon learn.

PAULINE ROGERS is now chief hat check girl at the Brown Derby in California. She reports getting very big tips.

BERNARD ROMIG landed a job as psychology teacher in the Lyman U. (A new college.)

Well, the electric brain just broke down. A class of this size was just too much of a problem! I hope you're happy with the results; the machine never lies.

Our home room is almost bursting at the seams; and wherever we are, there's a bustle of activity.

Look at the football picture-- you'll find Ackerman, Anderson, Dorsey, Fichter, Holmes, Myers, Ruppert, Sutherland and Wohlenhaus among the players and Ireland as manager. Myers, Ruppert, Anderson, Holmes, Ackerman, Ireland, Hensley and Sutherland were out for basketball.

Basketball girls were Bishop, Frazier, Miller, Bridger, Pardun, Watkins, Kenworthy and D. Riepe.

In Senior band you'll find Book, Frazier, Morgan, Myers, K. Riepe, Sutherland and Watkins. In Junior Band: Ackerman, Anderson, Bates, Foster, Fender, Gustin, Hensley, Ireland, Leighton, D. Riepe, Rowe, Slocum, Steffen, Swanson and Weaver.

And just look at vocal. Mixed chorus: Boseck, Weaver, Book, Piittmann, Sutherland, Ackerman, Ireland and Myers; Octet: Myers; Girls' glee: Bishop, Bliss, Boseck, Kenworthy, Pardun, Radford and Watkins.

The twenty girls in F.H.A. are: Bates, Bishop, Bridger, Bliss, Dorsey, Gustin, Johnson, Miller, Morgan, Newman, Nichols, Pardun, Radford, D. Riepe, K. ## F. H. A.

The Griswold Chapter of F.H.A. has a total membership of 59. We initiated 21 new members into our organization this year. We have had a variety of activities. We participated in two national projects: World Christmas Festival and UNESCO. Our local projects include: Wearing costumes and flags on United Nations Day, having numerous entries in the local achievement show sponsored by the Vocational Agriculture and Home Economics Departments, sponsoring "Good Posture Week", making joke books for the Veterans' Hospitals, sending Christmas gifts to a poor family in Omaha, helping with the Ladies' Night School, cleaning the high school trophy case, and making a float for the Old Soldiers Reunion Parade.

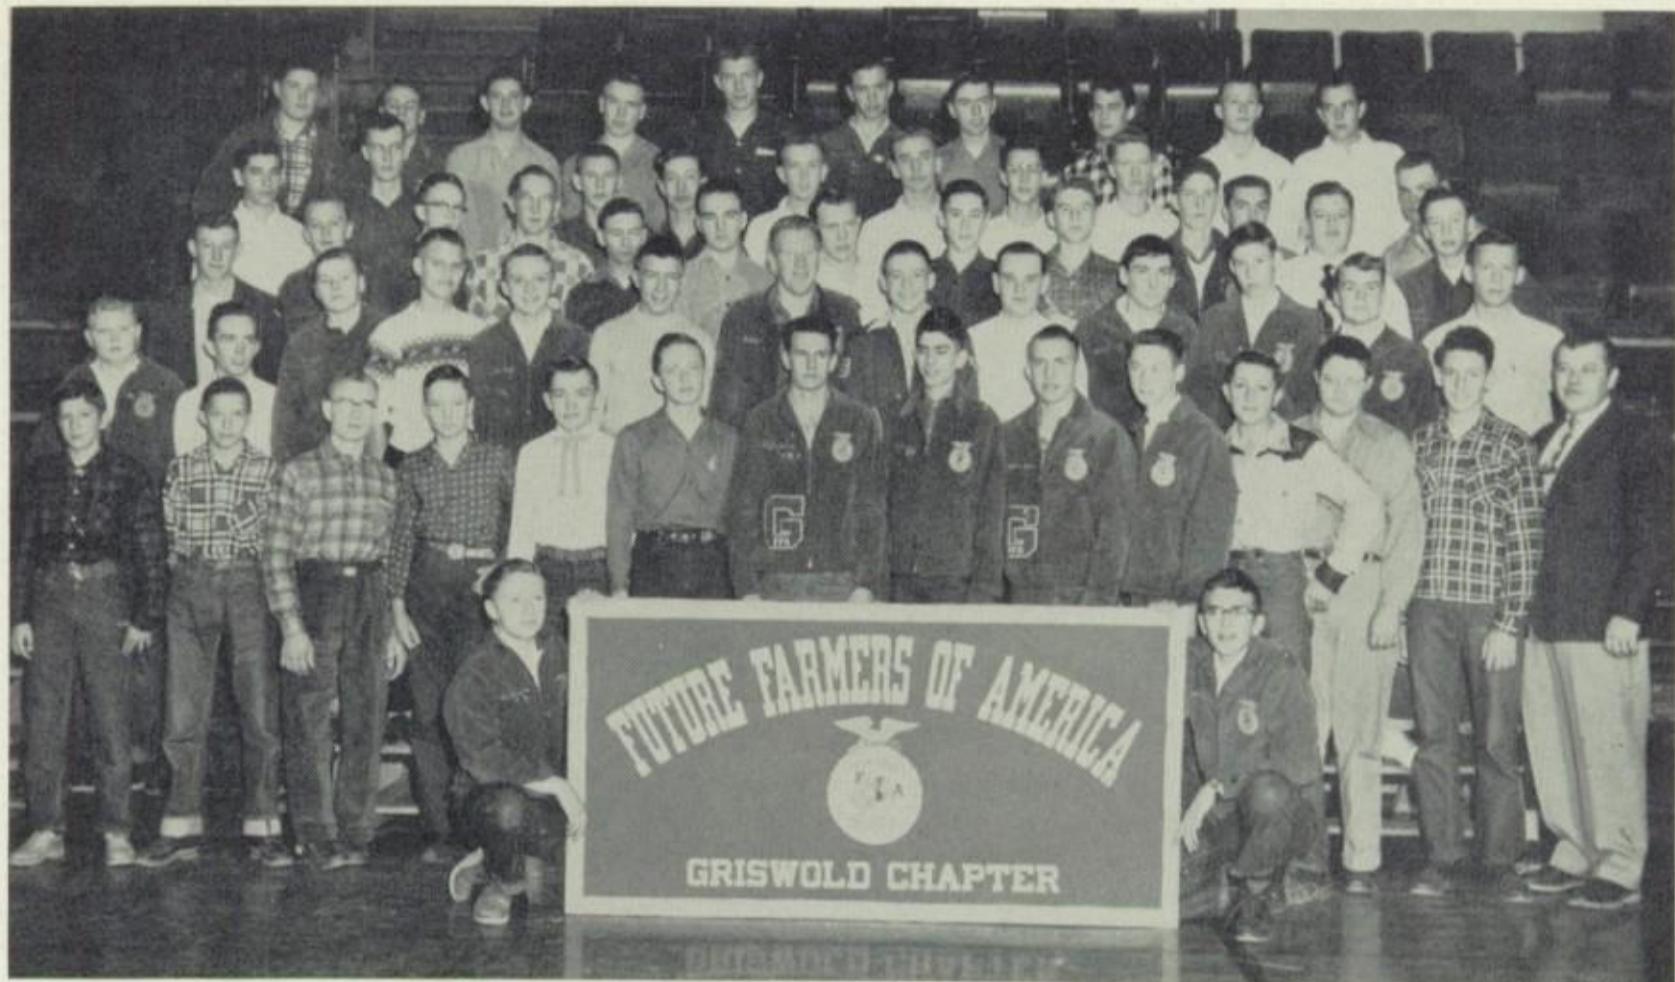

Our social activities include: Freshman initiation, F.H.A. and F.F.A. Christmas party, roller skating party, mother-daughter tea, and various holiday parties.

Our outstanding fund raising campaign was selling greeting and Christmas cards. We also had a bake sale and ice cream social. With our money we bought our F.H.A. pins and Junior and Chapter Homemaking Awards. We attended both the District Convention and State Convention. Our emblem team had the opportunity to appear in public several times and gave our Emblem Services. Mrs. Wayne Steffen is our chapter advisor and our chapter mother is Mrs. Roy DeWitt.

Our committee chairmen are: Project--Janet Sothman, Public Relations--Sharon Stone, Degrees--Ardith Linn, Recreation--Shirley Riepe, Finance--Lynda Cramer, Membership--Shirlene Brown.

## F.F.A. NEWS

Griswold F.F.A. Chapter became the largest in S.W. Iowa this year and among the largest in the state. We played host to the district leadership school, tractor rodeo and convention. Members won over 150 ribbons at various shows. Our main goal for the year was to earn enough money to buy a pickup. We had our first parent-son banquet and awarded letters for the first time. We took in three adult honorary members and two of our members were district officers. Our chapter made great progress in all phases of our work during the year.

Those going to the Preliminary at Neola on February 14 were: Jack, Paul, Goldie, Ardith, Kathaleen, Mary Ellen, Priscilla, Sharon, Pauline; Myrtle Mann in Interpretive Reading and Sharon McCullough, Priscilla Drake and Bob Keebler in a one-act play, The Sisters McIntosh.

Jack, Paul, Ardith, Pauline and the play were advanced to Pre-District.
